University of Wales, Bangor
Housing Information

Arcadia University Center for Education Abroad, in conjunction with the University of Wales, Bangor guarantees accommodation in its Ffriddoedd site, within walking distance of the university buildings and the city center. You will be offered a single en-suite (w/bathroom) room with work/study space, bed, wardrobe and chair. No bedding is provided, but you can purchase a bedding pack upon arrival for approximately $55.00-$60.00 (£30.00). The accommodation office at Bangor will make the final housing assignments. University regulations require that you contract to remain in your assigned housing for the full duration of your program. At times, this may be longer than the actual Arcadia program length. This is to your advantage, as you will have housing after your courses have ended.

Because Bangor’s accommodation office makes all housing assignments, you will not be asked to indicate a housing preference, but rather to provide us with information that will assist the housing officer in making your housing arrangements.
