Trinity College, Dublin
Housing Information

There are three housing options for students studying at Trinity College, Dublin: Arcadia University housing (flats), living in an Irish household, or making your own independent living arrangements.

**Arcadia University Housing**
Arcadia University leases flats in residential neighborhoods in and around the Dublin city centre, concentrated in the Dublin 2, Dublin 4, and Dublin 6 areas. Students studying at Trinity College are housed together and are not mixed with Irish students. Most flats accommodate three to five students, with a shared bathroom, kitchen and living area. Students should anticipate having to share a room.

Arcadia University flats are self-catered; there is no meal plan available for the year in Ireland. Students should anticipate preparing their own meals and shopping at nearby markets.

Each flat is equipped with a washer, television, and telephone. Students are responsible for all calls made from their flat and will be billed accordingly by the Arcadia Dublin Office. All charges must be settled prior to departing Ireland.

Students will be provided with free internet access for their personal laptops in their Arcadia flat. This wireless internet connection will be available for the duration of the program and students are subject to any limitations placed by Arcadia University or the internet service provider. Students must provide their own wireless card.

Students' flats may be co-ed, however any individual roommate will be of the same gender. Arcadia cannot guarantee non-smoking arrangements; students with serious health concerns should notify Arcadia University during the application process.

Arcadia University will provide each student with a duvet and pillow. Students are responsible for bed linens, duvet cover, and bath towels; because bed sizes vary in each flat and room it is recommended that students purchase their linens after they have arrived. The Arcadia Dublin staff can help students purchase linens. Students intending to bring linens should bring a double flat sheet and double duvet cover.

The flats are located equidistance from the Trinity College and city centre. Students can expect to commute (walking) 20-30 minutes each way to their classes. Bus and light rail service is available and Arcadia flats are located near bus routes and Luas routes. All students will be provided with a discount student travel card during orientation in Dublin; this will ensure student fares on weekly and monthly passes.

**Living in an Irish Household**
Students may choose to live in an Irish household for the academic year. Arcadia University works closely with Experiment in International Living (EIL) to place students in carefully screened homes. These families or individuals are accustomed to hosting American students and will provide two meals per day (breakfast and dinner). Bed linens and towels are also supplied by the host.

Students should expect to live outside of the Dublin city centre and may be required to commute as much as one hour each way.

**Please note:** Since meals are not included in our program fee, we will bill you separately after the beginning of your program. During the 2005-06 academic year, the meal surcharge for the year was $1600. Further information about living in an Irish household can be found in the pre-departure guide section of this website.

**Independent Living Arrangements**
Students may choose to make their own housing arrangements. The housing portion of the program fee will be refunded to students who arrange to live independently. Students must notify us in writing by June 30 for the fall semester and by November 20 for the spring program. The decision to make independent housing arrangements becomes final after the aforementioned dates; late requests for program housing cannot be considered.

Housing in Dublin can be quite expensive and students are strongly urged to opt for Arcadia University housing.
