Independent Travel

If you do not notify us that you would like to meet our staff at Heathrow, or you do not arrive in time to meet our staff, you will be required to report to the orientation venue on the same day your group is to arrive. Pay particular attention to the exact arrival date listed on the program calendar so that you are aware of when to meet up with the rest of your group. When making your flight arrangements, it is best to plan to arrive the morning of September 25.

If you do not notify Arcadia that you wish to reserve a spot on Arcadia transport from Heathrow, it is your responsibility to make your own way from the airport to the orientation venue. A special packet of materials containing everything you'll need for immigration inspection and locating the orientation venue, is sent to all independent travelers approximately two weeks prior to their departure.

Arcadia University Overseas Orientation is MANDATORY; you should make your travel plans accordingly.

Finally, please refer to your student handbook for additional arrival details.
