University of Ulster
Course Registration Instructions and Form

How to Select Your Courses from the Online Listings
The University of Ulster course offerings are available at http://prospectus.ulster.ac.uk/modules/topics. Select either the Complete Index or the offerings available at each campus. Then select your department of interest. Each course code is a link that will bring up a short course description which includes the means of assessment, credits, entry requirements, and course duration. You should pay particular attention to:

- Duration – Courses listed as ‘Semester 1' are offered in the fall, “Semester 2” in the spring. The last digit in the course code also indicates which semester the course is offered.
- Term/Semester Distinction – Arcadia distinguishes between the fall “term” and fall “semester” at the University of Ulster; the “term” ending before the holiday break, the “semester” ending mid-January.
- Campus Location – You may only study at one campus of the University of Ulster (Belfast, Coleraine, Jordanstown, or Magee). The last letter in the course code indicates at which campus a course is offered.
- Courses – All students studying at University of Ulster take only three (3) courses per semester/term. However, some departments offer half-modules.
- Credits – Arcadia distinguishes between the fall “term” and fall “semester” at the University of Ulster; the “term” ending before the holiday break, the “semester” ending mid-January. Use the following chart to help you select your course schedule:

<table>
<thead>
<tr>
<th>Ulster Course (20 CATS credits)</th>
<th>= 5 American credits per semester</th>
</tr>
</thead>
<tbody>
<tr>
<td>Ulster course (20 CATS credits)</td>

<tr>

Making sure your credits will transfer back:
It is your responsibility to make sure that you are registered for a full academic load according to your home school and that the courses you take abroad will transfer for credit to your home school. While every effort will be made to accommodate your course selections, Arcadia University does not guarantee placement in any course.

You will formally register for courses upon arrival at the University of Ulster.

We suggest that you secure approval for at least 6-10 courses per semester. Make sure to list alternate courses. List your choices and alternates in order of interest. Your first choices may not be available due to schedule changes, time conflicts or cancellations. Flexibility is very important. If you mandate certain courses that might be unavailable or inappropriate, you may limit your chances of admission, even though you meet the program’s overall academic requirements.

Following is a course registration form which you should complete, review with your academic or study abroad advisor, and submit to Arcadia.
