How to Select Your Courses from the Online Listings:
A list of courses available to study abroad students at The Barcelona Center for Education Abroad (BCEA) can be found at http://www.arcadia.edu/cea/index.aspx?id=2135. Click on “subjects” and this will lead you to the BCEA website. All courses have short descriptions that you should use to get course pre-approval at your home institution. You should pay particular attention to:

- Credits – All of the courses are 3 credits. You may take 3-6 credits per summer.
- There are two institutions that offer classes.
  - Barcelona Center for Education Abroad (BCEA) offers courses in Spanish and English. They are worth three semester hours of credit.
  - University of Barcelona Hispanic Studies Center (HSC) offers the Spanish language courses (3 credits).
- Students may take Spanish language, one elective or both Spanish language and one elective.

Requirements:
All students are required to take 3-6 credits. You will be pre-registered for the courses that you indicate on this course selection form.

During orientation, all students will take a Spanish proficiency placement exam. Official registration will occur after you take your placement exam so that you are placed in the appropriate level of Spanish.

Making sure your credits will transfer back:
It is your responsibility to make sure that the courses you take abroad will transfer for credit to your home school. While every effort will be made to accommodate your course selections, Arcadia University does not guarantee placement in any course.

We suggest that you secure approval for at least 4 courses. Make sure to list alternate courses. List your choices and alternates in order of preference. Your first choices may not be available due to schedule changes, time conflicts or cancellations. Flexibility is very important.

Please complete the course registration form, review it with your academic or study abroad advisor and submit it to Arcadia.

Please make a copy of this form for your personal records.

If you have any other questions or concerns, please contact your Program Coordinator.
