Course Registration Instructions and Form

How to Select Your Courses from the Online Listings:
A list of the courses available to study abroad students in Granada courses can be found at [http://www.arcadia.edu/cea/granadacourses](http://www.arcadia.edu/cea/granadacourses). As you will see, there are 3 program options. Please read about these options carefully. By choosing an option on the website, you will be given a list of courses that you can select from. To see courses, go to “Click here for course listings”. Here you will find short course descriptions for the courses that are available to you.

Upon arrival in Granada, students will be placed into language levels determined by an exam administered by the Centro de Lenguas Modernas. If you are unsure of your level (the level at which you would most likely place), please fill out two separate course forms (i.e. a course form for CLCE – Cursos de Lengua y Cultura Española and a form for CEH -- Estudios Hispánicos).

Requirements:
In order to be eligible for this program, all students must have taken at least 4 university-level Spanish courses (or have the equivalent proficiency in Spanish).

All students will take a one-month intensive Spanish language course (CILE) during the orientation program.

All courses are worth 3 semester hours. Students are required to take 15-18 credits.

There are six levels of Spanish. All students are required to take a Spanish language class. Students will be placed in an appropriate class according to their proficiency level. Upon arrival in Granada, students will take a Spanish language proficiency exam.

For Option I CEH – Estudios Hispanicos, students that place at this level are required to take “Spanish Conversation and Composition” and “Notions of Spanish Grammar”.

For Option II CLCE – Cursos de Lengua y Cultura Española, students that place at this level are required to take “Spanish Conversation and Composition”.

You will not know your level of placement until orientation. Please remember to put down several alternative courses.

Making sure your credits will transfer back:
It is your responsibility to make sure that you are registered for a full academic load according to your home school and that the courses you take abroad will transfer for credit to your home school. While every effort will be made to accommodate your course selections, Arcadia University does not guarantee placement in any course. You will formally register for courses upon arrival to the University of Granada.

We suggest that you secure approval for at least 6-8 courses per semester. Make sure to list alternate courses. List your choices and alternates in order of interest. Your first choices may not be available due to schedule changes, time conflicts or cancellations. Flexibility is very important

Please complete the course registration form, review it with your academic or study abroad advisor and submit it to Arcadia.

Please keep a copy of this course form for your records.

If you have any other questions or concerns, please contact your [program coordinator](mailto:program.coordinator@arcadia.edu).
