Burren College of Art
Housing Information

There are two housing options for students studying at the Burren College of Art: college housing or making your own independent living arrangements.

**College Housing**
Arcadia University works with the Burren College of Art to house students in their own accommodations. Students live in cottages with fellow students attending the BCA. The total number of students in each cottage may vary, but students should anticipate sharing a bedroom and bathroom.

Burren housing is self-catered; there is no meal plan available at the BCA. Students should anticipate preparing their own meals. A small cafeteria is located on campus, but is only available for light meals during school hours.

Each cottage has a fully equipped kitchen and living area, with television and modern amenities. Self-service laundry facilities are available. Telephones are located in each cottage, but must be accessed by using a calling card local and long distance calls.

Students' flats may be co-ed, however any individual roommate will be of the same gender. Arcadia cannot guarantee non-smoking arrangements; students with serious health concerns should notify Arcadia University during the application process.

Arcadia University will provide each student with a duvet and pillow. Students are responsible for bed linens, duvet cover, and bath towels; because bed sizes vary in each flat and room it is recommended that students purchase their linens after they have arrived. The Arcadia Dublin staff can help students purchase linens. Students intending to bring linens should bring a single flat sheet and single duvet cover.

The BCA housing is located between the college and the town of Ballyvaughan, about a half mile each way. Shuttle service to and from campus is provided each morning and afternoon. **Independent Living Arrangements**
Students may choose to make their own housing arrangements. The housing portion of the program fee will be refunded to students who arrange to live independently. Students must notify us in writing by June 30 for the fall semester and by November 20 for the spring program. The decision to make independent housing arrangements becomes final after the aforementioned dates; late requests for program housing cannot be considered.
