University of Ulster
Housing Information

There are two housing options for students studying at the University of Ulster: university housing or making your own independent living arrangements.

Students attending the University of Ulster, Belfast campus are housed outside the city at the Jordanstown campus and should expect a 20-30 minute commute each way.

University Housing
Arcadia University houses all University of Ulster students on-campus in university accommodations. Each campus housing differs slightly, but offers similar amenities. Students reside in apartment-style flats with British, Irish, and other visiting students. UU accommodate students with individual rooms, and may have a connected bathroom or shared bathroom depending on campus accommodations.

UU's on-campus housing is self-catered; there is no meal plan available at the university. Students should anticipate preparing their own meals and shopping at markets located a short commute from campus. The University of Ulster Student Unions offer small shops and eateries, which are only open during weekdays.

Each flat has a shared kitchen and living area, with television and modern amenities. Self-service laundry facilities are available within the complex. Telephones are located in every flat for house to house calls only; calling cards are required for accessing local and long distance calls.

Students' flats may be co-ed, however any individual roommate will be of the same gender. Arcadia cannot guarantee non-smoking arrangements; students with serious health concerns should notify Arcadia University during the application process.

Arcadia University will provide each student with a duvet, pillow. Students are responsible for bed linens, duvet cover, and bath towels; because bed sizes vary in each flat and room it is recommended that students purchase their linens after they have arrived. The Arcadia Dublin staff can help students purchase linens. Students intending to bring linens should bring a single flat sheet and single duvet cover. Arcadia will also provide students with an allowance for necessary cutlery and crockery.

University of Ulster housing is all located on campus and within a short distance of class buildings, Student Union, and athletic facilities.

Official housing allocation is handled by the University of Ulster Accommodations Office.

Independent Living Arrangements
Students may choose to make your own housing arrangements. The housing portion of the program fee will be refunded to students who arrange to live independently. Students must notify us in writing by June 30 for the fall semester and by November 20 for the spring program. The decision to make independent housing arrangements becomes final after the aforementioned dates; late requests for program housing cannot be considered.
