Zacharoplaesteio crawl

While crawls usually include pubs, this one will include some of the best sweet shops of Athens. We will visit an excellent, well-known sweet shop in Pangrati followed by the most famous chocolate shop in Athens, the best place to get loukoumades (honey donuts), a gelato-lover’s heaven and, finally, a bakery/sweet shop in Kifissia renowned for its milk-based sweets. Come hungry, we will taste at each location.

Murder Mystery Evening
Date: 24 April
Time: 21:00
Price: Pot luck (more details to follow)
Location: Diotima Salon, Arcadia

We will have our very own murder mystery dinner. (We need 12 volunteers to act out the parts. This will entail reading out a part...no memorization...and attending one rehearsal/informational meeting beforehand. Contact Kim via e-mail if you would like to have a part!) Dinner will be pot-luck and the evening will be merry.
